

Fan Housing Venturi Spinning Presses:

Vertical Spinning Press 16-27 inch Capacity

Vertical Spinning Press 30-36 inch Capacity

Vertical Spinning Press 40-61 (61) inch Capacity

CNC Turret Punches:

LVD Strippit Model 1000 XP/20 CNC Turret Punch, Factory retrofitted & reconditioned by Strippit in December 2008, s/n 048041091, G E Fanuc Series 0i-PB CNC, 20 station with two auto index stations, thin turret style with Wilson tooling, station-station index .5 second, X 51.2 & Y 40.8, blank size 49 x 39 x .250 Max thickness, capacity 3.5 inch hole in .075 inch to 1.1 inch in .25 inch, speed 330 hits/minute punch or nibbling on 1 inch centers with +/- .004 inch accuracy. Very Low Hours & Excellent Condition.

Strippit Fabriccenter 1000R CNC Turret Punch Press, Model U1000R-XP 0iPD, s/n 171102892R, Factory Retrofitted and reconditioned by Strippit July 2017 with LVD Fanuc Series 0iPB CNC. Very Low Hours & Ex20 station with two auto index stations, thin turret style with Wilson tooling, station-station index .5 second, X 51.2 & Y 40.8, blank size 49 x 39 x .250 Max thickness, capacity 3.5 inch hole in .075 inch to 1.1 inch in .25 inch, speed 330 hits/minute punch or nibbling on 1 inch centers with +/- .004 inch accuracy. Excellent Condition.

Punch & Die Grinder:

Strippit punch & die grinder, 5 inch cuck, 5 inch cup wheel w/ ¼ H.P. 110 volt single phase motor

Press Brakes:

Durma Model E3090 CNC Hydraulic press brake, s/n 7512061817L, New 2006, 10 ft. x 99 ton capacity, European style tooling, DU 6000 control, four axis, 6.3 inch stroke, two 20 inch front arms, operator pedestal & foot pedal, Excellent Condition, Very low Hours

Pacific Model 70-10 Hydraulic Press Brake, s/n 7101, 4 inch stroke, capacity 12 ga. X 10 ft. With Autogage G24 CNC back gage, w/ 5 ft. die & 2 punches

Shears:

Accurshear Model 613510 Hydraulic shear, s/n 1833, New 1994, 10 ft. x 10 ga. Capacity, includes 24 inch swing away front operated power back gage, Metfab model 4-10 conveyor stacker s/n 9509, & Automec Squaregage Plus CNC front gage (note: to be sold separately). Excellent Condition.

Aryma Model K561500EG CNC Programmable Circle Shear, s/n 47342, New in 2015, manufactured in Switzerland , 60 inch throat x 3 mm capacity, cuts out 16 inch blank in 16 ga. in eight seconds, Very Low Hours Excellent Condition

Aryma Model K561500EG CNC Programmable Circle Shear, s/n 45811, New 2004, manufactured in Switzerland , 60 inch throat x 3 mm capacity, cuts out 16 inch blank in 16 ga. in eight seconds, Very Low Hours Excellent Condition

Pexto 6 ft. x 14 ga. Mechanical shear, Model U274, s/n 1921-41, includes 6 ft squaring arm & roller conveyor

Wysong # 472 6 ft. x 14 ga. Mechanical shear, 4 ft. squaring arm, 110 volt single phase

Famco 10ga. X 10 ft. Mechanical shear, Model 1010, s/n 8-F67WZ76, 9 ft. squaring arm & roller conveyor, 24 inch manual back gage

Band Saw:

KBC made in Taiwan Model 6-280-005 Horizontal band saw, s/n 81-5781, 10 inch capacity, ¾ inch blade, 4 speed, ¾ H.P. 110 volt single phase, newer lift cylinder, runs good

Johnson 12 inch Vertical band saw 110 volt 1 phase

Misc Sheet Metal:

Whitney Model 615 hydraulic punching machine, s/n 615-060-28227, 72 x 24 table, 15 ton, 5 H.P., 28XX tooling & cabinet of tooling

Niagara 42 inch hand brake x 16 ga.

Kidder 5 x 5 inch Model 43HNP5 power notcher, s/n IB667

Wilder Model 14-24 Metal Slitter, s/n 48084, 14 ga. Capacity x 24 inch throat, 110 volt single phase

Lathe:

Kingston HJ1700 Precision Engine Lathe, New 1998, Very Good condition, 17 inch x 64 inch centers, D1-6 inch with 2 ¼ inch spindle hole, 3 & 4 jaw chucks, face plate, two steady rests, square tool post

Horizontal Spinning Lathe 10-16 inch Capacity

Air Compressors/Dryers:

5 H.P. Dayton Speedaire vertical air compressor, 90 gal, Model 1W55, s/n D024351, 230 volt 3 phase

Dayton Speedaire air dryer, Model 1LYN5, s/m MMJ070808, ¼ H.P. 110 volt single phase

Kellogg-American 10 H.P. horizontal air compressor, Model 4352TV, s/n 460236, 120 gallon tank

Speedaire 3-1 refrigerated air dryer

Speedaire 10 H.P. horizontal air compressor, 120 gallon tank, 230 volt 3 phase

Miscellaneous:

Walsh # 4 OBI Punch press, 24 x 12 bed, 3 inch stroke

Ten large box fans 110 volt with 48, 36, & 34 inch blades

Proto 15 drawer roll around cabinet

Tooling

Waterloo Magnum 8 drawer roll around tool cabinet

Signode strapping cart with tool

Lincoln stick welder

Rigid 12 inch saw w/ +/- 50 degree swivel base 110 volt with extension tables with 96 inch scale

Minute 105 Shop Vac 110 volt

Magnavox "boom box"

Pair of 7 ½ ft. wooden saw horses

(4) 48 x 36 ball transfer tables & (1) 36 x 34 ball transfer table

20 ft. Aluminum extension ladder

Pallet Racking

Pennsylvania 10000 lb x 5 ft. x 5 ft. floor scales w/digital control 110 volt

Famco 3 ½ arbor press on stand

Torch cart with (2) Ltec Oxy/Acetylene regulators

Gould & Eberhardt 10 inch metal shaper, 10 inch swivel vise

Delta toolmaker surface grinder, 6 x 12 capacity, 3 x 6 inch chuck

Index vertical milling machine, ½ H.P. 110 volt single phase, 20 x 8 inch table, w/ 6 inch vise & tooling

Powermatic Model 1200 Drill press, s/n 66-1787, 20 inch variable speed, 18 x 16 T slot table w/ vise & drill chuck, 1 ½ H.P. 110 volt single phase

4 inch Palmgren drill press vise

Dorian SD40CA Quick change complete tool post set & more Dorian tooling

4 inch pedestal grinder & brush, 110 volt

Press Brake Tooling

Hollup AC welder power supply

Lincoln Idealarc 250 welder power supply

Scaffolding
